Summary:

AlaCop.us and SupportPoliceOfficers.com did not solicit or receive much support this year due to economic hardships for everyone in our nation. For those donations we did receive, we are exceedingly appreciative. We were able to send a substantial contribution to Operation Behind the Badge for support of Police Officers and their families affected by the devastating tornado damage to Alabama communities, primarily on April 27 and provided some additional support to other officers. We have maintained the web sites and computer equipment to insure continued support for those we serve. We hope to return to seeking out and providing support as we attempt to increase our income through web site changes and expanded fundraising efforts. We will continue to build business relationships with companies for financial support and encourage everyone to support us through our Corporate Sponsorship program. The AlaCop, Inc. Board of Directors would like to thank everyone for their continued support and participation in our programs. 2012 will be bigger and better for us all!
