#### Summary:

AlaCop.us and SupportPoliceOfficers.com did not solicit or receive much support this again this year due to economic hardships for everyone in our nation. For those donations we did receive, we are exceedingly appreciative. We were unable to send any support to officers, families, or police support organizations to assist in their special needs. We have maintained the web sites and computer equipment to insure continued support for those we serve. We hope to return to seeking out and providing support as we attempt to increase our income through web site changes and expanded fundraising efforts. We will continue to build business relationships with companies for financial support and encourage everyone to support us through our Corporate Sponsorship program. The AlaCop, Inc. Board of Directors would like to thank everyone for their continued support and participation in our programs. We look forward to a successful 2014 as we attempt to consolidate operating expenses and increase support to the law enforcement community.
